EFFECTIVE March 2007

**PlateCrane/LabLinx SoftLinx Integrations for Laboratory Automation
Instruments**

Many laboratory automation and plate handling instruments have already been integrated by Hudson Control Group. We will develop an integration for any module not listed here upon request.

WASHERS

Bio-Tek ELx405 Integration

Flushtec Flusher w/vacuum

MDC Embla 384 Integration

MDC FLIPR Integration

Tecan Columbus Integration

Tecan PowerWasher Integration

READERS/IMAGERS

APB LeadSeeker Integration (Requires additional software modifications by APB)

BioRad UltraMark Integration

Bio-Tek ELx808 Integration

Bio-Tek PowerwaveX, PowerWaveX 340 OR PowerWave HT Integration

Bio-Tek Synergy HT Integration

BMG FLUOstar Integration

BMG POLARstar Integration

BMG NEPHELOstar Integration

BMG PHERAstar Integration

Guava PCA Microcytometer Integration

GE Healthcare InCell 1000 Analyzer Integration (Same as Pharmacia InCell 1000)

Luminex 100 Integration

MDC CLIPR ntegration

MDC FlexStation Integration

MDC FlexStation II Integration

MDC FLIPR PIntegration

MDC FLIPR Tetra Integration

MDC LJL Analyst Integration

MDC SpectraMax 250 Integration

MDC SpectraMax Plus Integration

MDC SpectraMax Gemini Integration

MDC Vmax Integration

MDC Soft Max Pro Integration

MDC/Universal Imaging /Discovery-1 Integration

Meso-Scale Sector Imager Integration

PE LifeSciences (Packard) AlphaQuest Integration

PE Lifesciences Envision Integration

PE LifeSciences (Packard) Fusion Integration

PE LifeSciences (Packard) TopCount Integration

PE LifeSciences MicroBeta Jet Integration

PE LifeSciences MicroBeta Trilux Integration

PE LifeSciences Victor series Integration

PE LifeSciences ViewLux Integration

PE LifeSciences HTS 7000 Integration
PE Lifesciences Fluorocount Integration
Tecan SPECTRAFluor Integration
Tecan SPECTRA Image Integration
Tecan SAFIRE Integration
Tecan ULTRA Integration
Thermo Labsystems Ascent Integration
Thermo Labsystems Luminoskan Ascent Luminometer Integration
Zeiss Automated Microscope Integration
Union Biometrica COPAS Analyzer integration
DISPENSERS
Asys FlexiSpense M Dispenser Integration
Bio-Tek MicroFill AF1000 Integration
Genetix QFill2 Integration (incl. P/N 200197 plate nest)
MDC AQUAmax Integration
PerkinElmer LifeSciences FlexDrop Integration
Thermo LabSystems Multidrop 384 Dispenser ntegration
Thermo LabSystems Multidrop DW Dispenser Integration
BAR CODE
Beckman Coulter/Sagian Print & Apply Integration
Computype LAP-4100 Printer Applicator Integration. Includes Zebra CODE-SOFT V8 Bar Code Imaging software.
Keyence Bar Code Reader Integration
Microscan Bar Code Reader Integration
Symbol Bar Code Reader Integration
Velocity 11 Vcode Integration
Zymark Presto Integration (Older models may require cover modification)
SEALERS
Abgene ALPS 300 Plate Sealer Integration
Brandel Lablinx Sealer Integration
RS-3000 Plate Sealer Integration
Velocity 11 PlateLoc Sealer Integration
THERMAL CYCLERS
MJ Research PTC Series Thermal Cycler Integration
MWG Primus HT Thermal Cycler Integration
ABI 7900 B28Thermal Cycler integration
PIPETTING STATIONS AND BASIC LIQUID HANDLING
Apricot Personal Pipettor Integration
Beckman Coulter MultiMek Integration
Bio-Tek Precision 2000 Integration
CyBio Cybi-Well Integration
Gilson 215 (Includes custom plate nest) Integration
Matrix PlateMatePlus Integration
Matrix SerialMate Pipetting Station Integration
Robbins Hydra 384-PP Integration
Robbins Hydra 96-PP Integration
TomTec Quadra Integration
TomTec Quadra 3 Integration
Velocity11 Vprep Integration
ADVANCED LIQUID HANDLING SYSTEMS
Apricot TPS-384 Integration

Apricot TPS-24 Integration
Beckman Coulter Biomek 2000 Integration
Beckman Coulter Biomek FX Integration
Beckman Coulter NX Integration
Hamilton STAR Integration
LabCyte Echo 550 Sonic Pipettor Integration
LabCyte Echo 555 Sonic Pipettor Integration
Perkin Elmer LifeSciences (Packard) MultiProbe (all models) Integration
Perkin Elmer LifeSciences (Packard) MiniTrak/PlateTrak Integration
Perkin Elmer LifeSciences Evolution Integration
Qiagen Plato Integration
Sias Xantus Integration
Tecan Freedom EVO Liquid Handler Integration
Tecan Genesis Integration
Tecan Te-MO Integration
Zymark RapidPlate 96 Integration
INCUBATORS/FREEZERS
Kendro Cytomat Integration
Liconic STX Integration
MASS SPECS
Micromass Mass Spec integration to PlateCrane & Gilson 215.
MISC
Magnetic Stirrer Nests Integration
SoftLinx integration to Norgren Colony Picker
Hypertask Plate Shaker Integration
Variomag Teleshake Integration
Computype Automated Microwell PlateNest
